School News | Friday 13th November 2026

BROOKLANDS BULLETIN

Weekly Reflection

Dear parents and carers,

We cannot quite believe that this week is only our first week back- so much has happened, including Road Safety sessions in our Early Years, planting going on in the meadow space opposite the BUFA, children whittling in Forest School, children discovering mysterious dolls houses in year 1, family members coming to share their expertise and children learning about different faith celebrations in assemblies and in their learning. Phew!

We have also been busy behind the scenes in preparation for our Schools Priorities Evening on 24th November- please do come along if you can, and if you can't, please do reach out to us using the Google Form- see the infographic in this week's Bulletin for more information. Thank you to those parents who have already reached out, we welcome the chance to share what we are working on in school.

It is parents evening next week. Our teachers will share how well your child has settled into the new school year and how you can support them at home. Please do share any important information with them as you can add information to your child's Pupil Passport.

We have noticed several parents on calls, taking photos or otherwise using their phones whilst on site. Please do not use your phones when on drop off or pick up. This is to ensure all children are kept safe and that your focus remains on supervising your child whilst on school grounds. Thank you for your support with this.

Please check the 'upcoming dates' bit very carefully- there are exciting things coming up- including a 'save the date' for our winter performances. You only need to attend once- this is to ensure all parents have a chance to see their child's performance. More details to follow in the coming weeks!

We hope you all have a wonderful weekend

Mrs McGrath and Mrs Armstrong

UPCOMING DATES

Parents Evenings- Tuesday 17th and Wednesday 18th November 3:30pm-6pm

Year 6 Big Outcome- Wednesday 18th November 2:20pm

School Priorities Evening- Tuesday 24th November 6pm

Wreath making- FOB event 27th November

0-5 year olds Stay and Play- Saturday 28th November 9:30am-11:30am

Year 5 trip to the Science Museum- 1st December

Winter Fair- 4th December

Nursery Christmas Celebration - Wednesday 9th December 9:30-10:30

Reception and KS1 Winter performance Wednesday 16th December 9:30am; Thursday 17th December 2:30pm

KS2 Winter permances Wednesday 16th December 2:30pm and Thursday 17th December 9:30am

Inside this week's Bulletin...

- **This week at Brooklands!**
- **Winter Fair poster entries and winner!**
- **Photos of this week's learning!**
- **Parent Forum!**
- **Stars of the Week!**
- **Attendance percentages!**
- **Trip volunteer update!**
- **Tell us what you celebrate so we can share it with everyone!**
- **Online safety info!**

Each week, we will be highlighting something about school life that parents might not know about...if there is anything you would like more information about, that you think would benefit from a 'spotlight' being shone on it, please let us know!

This week's spotlight

What do you celebrate?

Different backgrounds Brighter together

We would love to know what you and your family celebrate at home each month!

Religious festivals

Cultural celebrations

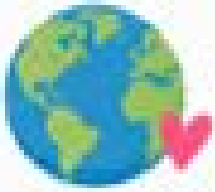

Special days

Heritage events

Traditions

Anything that is special to your family!

You could tell us:

- What the celebration is
- When it happens
- How your family celebrates
- Photos (if you're happy to share)
- Anything else you'd like us to know

We will include your celebrations in our 'This month, our Brooklands families will be celebrating...' section of our school bulletin.

We love finding out about our families and sharing our commonalities and differences as **we all belong** as our school community.

Creativity
Resilience
Empathy
Aspiration
Togetherness
Excellence

A community where everyone belongs

Many cultures ♥ Many stories ♥ One Brooklands

BROOKLANDS PRIMARY SCHOOL

This week, we are celebrating...

This fantastic artwork, produced by Frankie and his Dad at home...so impressive! Let us know if you fancy doing some artwork around school!

Isobel in year 6 has been selected in a small groups to represent the Girl Guiding this weekend and take part on the float in parade of The Lords Mayors Show on Saturday!
She has been rehearsing the event which will be televised at the weekend, so look out for her in her uniform on the tv!

We will be cheering you on, Isobel!

For more information about the event, please see the link below:
https://www.lordmayorsshow.london

Spotlight on...

SAFEGUARDING

Safeguarding is EVERYONE's responsibility; the leads for safeguarding at Brooklands are:

What does safeguarding actually mean?

Safeguarding is the action taken to protect people's health, wellbeing, and human rights, and to enable them to live free from harm, abuse, and neglect

Each week, we highlight something about school life that parents might not know about...if there is anything you would like more information about, that you think would benefit from a 'spotlight' being shone on it, please let us know!

Safeguarding Children: Protecting children from maltreatment, preventing impairment of their health or development, and ensuring they grow up in circumstances that provide safe and effective care.

How do we talk about keeping children safe at school?

We talk to the children regularly about how we work to keep them safe, how being safe is everyone's responsibility and who they can speak to if they are worried.
We also share these key messages through Circle Times; Learning Mentor time; assemblies; online safety lessons; lanyards and workshops.
We never promise to 'keep secrets' and always explain that if we are worried about what they tell us, that we will do what we can to keep them safe.

Brooklands Primary School

I have a safeguarding concern about a child

Report this to a member of staff who will record this on our safeguarding system: via CPOMS

Designated Safeguarding Lead
Sarah Armstrong

Deputy Designated Safeguarding Lead
Emily McGrath

Designated safeguarding lead will assess the concern and take one of the following actions:

Monitor

Speak to parents/carer

Referral

Concern will be monitored and support given where deemed appropriate. For example foodbank, housing support, clothing or toy bank. There are many areas of support and strong community links have been established to benefit our families.

A TAC may be initiated to document targeted support.

Where there is a serious or ongoing concerns a referral may be made to MASH or Early Help.

The situation does not improve and concerns remain or increase.

Child Protection Officer (DSL) Sarah Armstrong	Deputy DSL Emily McGrath
Greenwich LADO 020 8921 3930 / childrens-LADO@royalgreenwich.gov.uk	
Children's services MASH Team - 020 8921 3172	**Out of Hours Line - 020 854 8888**

We were so proud to have so many wonderful entries to our Poster Competition! Friends of Brooklands had a very hard time choosing a winner!

Runner-up entries included:

Jack, Year 3

Isobel Year 6

Sonny, Year 2

Hakkon Year 3

The winning entry, below, was designed by Kira in year 2! Well done, Kira!

(Brooklands School PTA)

Raffle

Our much-loved Brooklands raffle is back!

✨ RAFFLE PRIZES ✨

We often receive brilliant donations from local businesses and parent workplaces. With times being tougher this year, we'd really appreciate any help in sourcing prizes.

If your employer or your own business can offer charity donations or prize contributions, please let your class rep know — even small items make a big difference!

🎟️ RAFFLE TICKETS 🎟️

Tickets are £1 each and will be on sale at the Winter Fair

Thank you for supporting the Brooklands community — whether by donating, buying tickets, or simply spreading the word! 💙

The Winter Fair is coming!

Friday 4th December 3:30pm - 6:30pm

This year's Winter Fair will be held on **Friday 4th December,** after school.

Tickets available on MCAS now!

We'll have all your favourite stalls including Sprout Roulette, Teddy Hoopla, and a BBQ.

Frozen themed bake off

Sparkling ice palaces, snowflakes and magical frozen worlds... anything freeeeezing goes! Create a bake inspired by all things icy, snowy and frosty. We can't wait to see your cool creations!

Prizes for:

🏆 **Best Decorated** - for any master bakers out there
🏆 **Best Tasting** - because flavour is what counts
🏆 **Hidden Gem** - looks dodgy but tastes AMAZING

Wreath Making

Friday 27th November 7-9pm, School Hall

An evening of making, mulled wine, mince pies & fun!

Tickets are **£40** and include all materials and refreshments.

Payment via BACS for details of how to pay email friendsofbrooklands@gmail.com. Please note your booking will not be complete until payment is complete

We have some discounted tickets available for those that would like to attend but are struggling financially, if this is you please contact the school office directly, info@brooklands-maritime.org

Volunteers

🎄 We Need You! Winter Fair Volunteers Wanted 🎅

Our Winter Fair is fast approaching, and we need your help to make it a brilliant afternoon for the children!

This year we are particularly looking for:

- Someone to help make Santa's visit to the school possible
- A fabulous face painter(s)
- General volunteers to help set up/clear away
- A team of confident home chefs to run the BBQ

We also need helpers for each year group's stall, so please check your class WhatsApp group for more information.

Whether you can spare half an hour or a little longer, every bit of help makes a huge difference. These events wouldn't happen without our lovely school community, so please do get involved if you can! ❤️

If you want to send us your views, questions or would like to join the committee, please drop us an email **friendsofbrooklands@gmail.com** or ask your class rep.

Brooklands Primary School

Parent Forum Drop-In Sessions

We're inviting all parents and carers to join Mrs Armstrong and Mrs McGrath for our monthly Parent Forum drop-in sessions.

These informal, welcoming sessions are a chance to:

- share your views and ideas
- ask questions
- raise topics you'd like us to discuss

8:45am – 9:30am

Brooklands Primary School

Session Dates
(Final Monday of each month)

- Monday 30th November 2026
- Monday 25th January 2027
- Monday 22nd February 2027
- Monday 26th April 2027
- Monday 24th May 2027
- Monday 28th June 2027

Can't make a session?

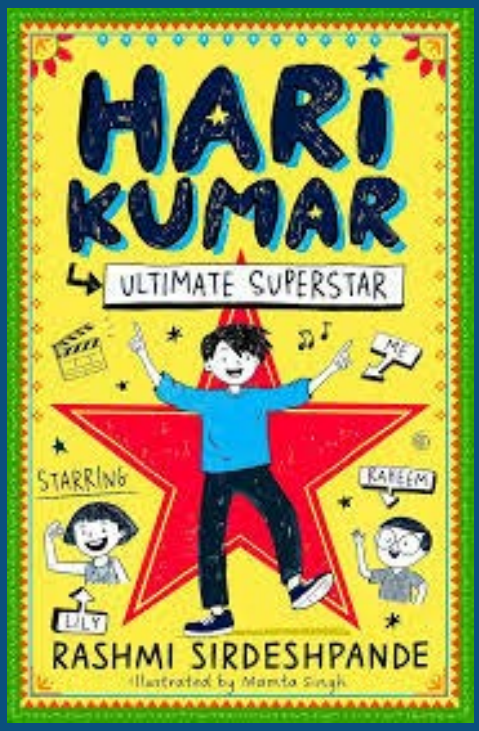

You can still share your thoughts with us via our Google Form. All feedback, whether shared in person or online, will be discussed at the Parent Forum and shared with the wider school community in our Brooklands Bulletin.

SCAN TO SHARE

Reading at Brooklands

We have a wonderful reading culture at Brooklands and celebrate this in lots of ways!

Ten-year-old Hari Kumar is autistic, has ADHD and dreams of becoming a Bollywood superstar. He's delighted when he learns about a school film competition and is determined to win, certain that it will help pave his way to fame. Hari's best friends, Lily and Raheem, are fully supportive, but with so many ideas buzzing around his head, Hari becomes intense and they accuse him of being too controlling. Hari also struggles to process his feelings about new boy Cameron, who hangs out with the bullies and steals the limelight, with his dazzling football skills and top marks in class. Will Hari be able to put these distractions aside and focus on what really matters?

The journal format of this entertaining novel gives readers direct insight into Hari's thoughts, feelings, hopes and worries, helping them to see the world through his unique, neurodiverse lens. Hari's Indian-French heritage is explored with lots of cultural references, and his immediate and extended family are a joy to meet. Full of warmth and humour, the tale is accompanied by lively, doodle-like drawings throughout.

ONLINE SAFETY

For Parents - Should You Upload Photos of Children Into AI?

AI image tools are becoming increasingly popular, allowing people to change backgrounds, enhance photographs or create entirely new images. But what happens when we upload photographs of our children into these tools?

SWGfL has published some useful advice encouraging parents and carers to think about what happens to an image once it has been uploaded. Some questions worth considering include:

- Where will the photograph be stored?
- Could it be used to train an AI system?
- Can the image be permanently deleted?
- Does it contain identifying information, such as a school uniform or location?
- Could the image be copied, altered or misused?

This doesn't mean that every AI image tool is unsafe, but it is worth understanding how a service uses photographs before uploading them, particularly when those photographs are of children.

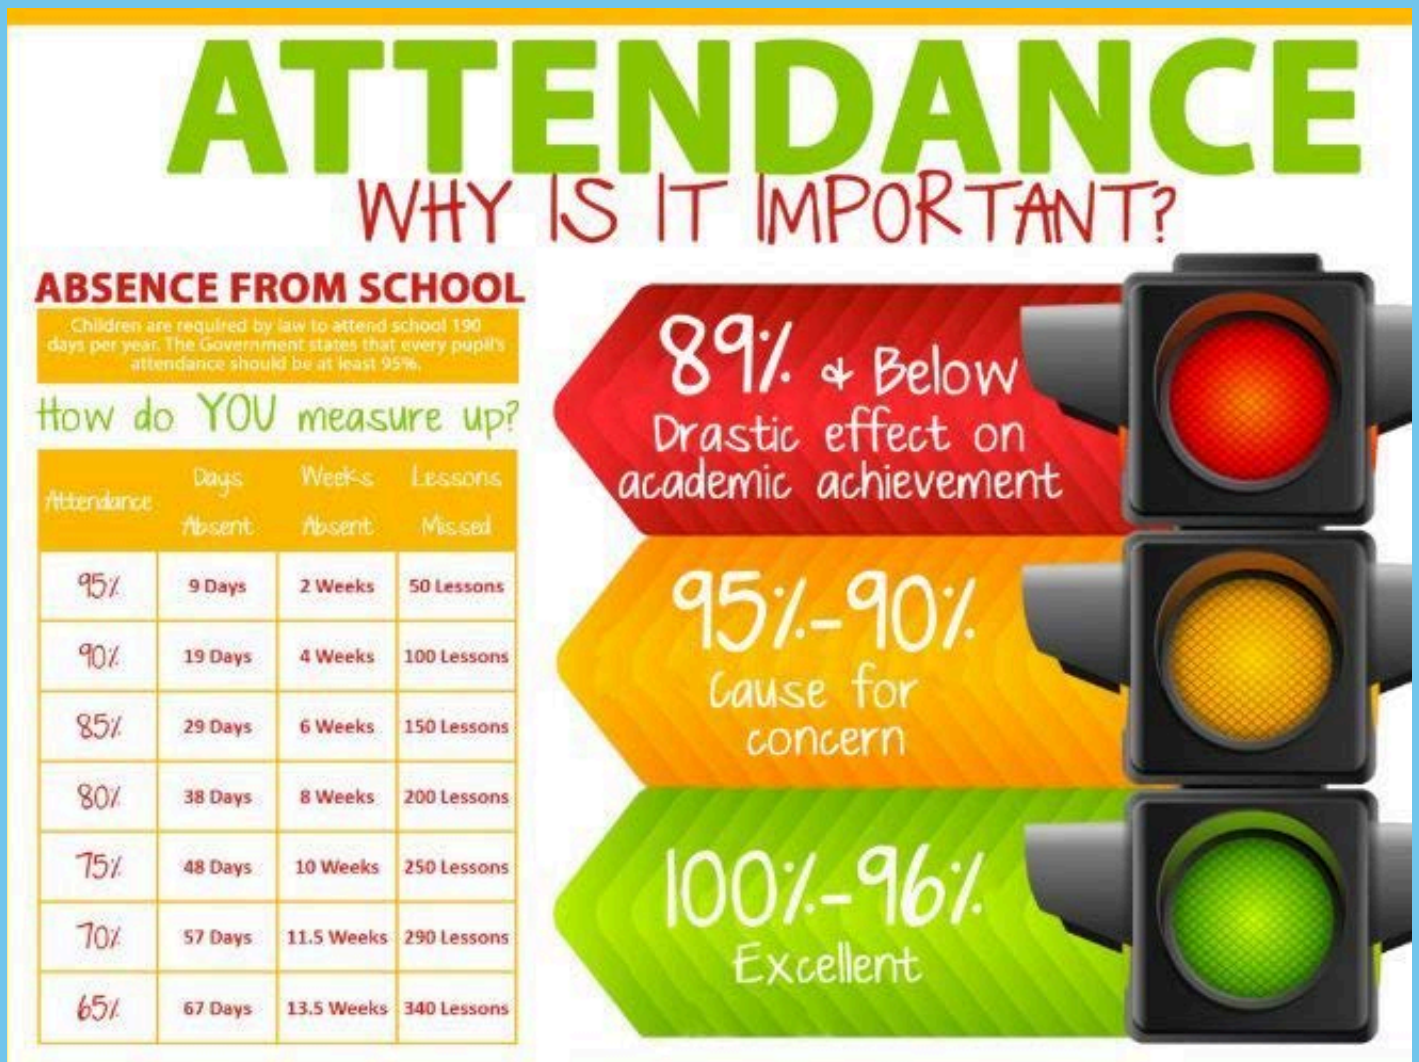

The SWGfL guidance provides some practical advice to help parents make more informed decisions.

Wreath making workshop

27th Nov

7-9 PM

An evening of making, mulled wine, mince pies & fun!

Tickets are £40 and include all materials & refreshments.

Payment via BACS for details of how to pay email friendsofbrooklands@gmail.com. Please note your booking will not be complete until payment is complete

We have some discounted tickets available for those that would like to attend but are struggling financially, if this is you please contact the school office directly, info@brooklands-maritime.org

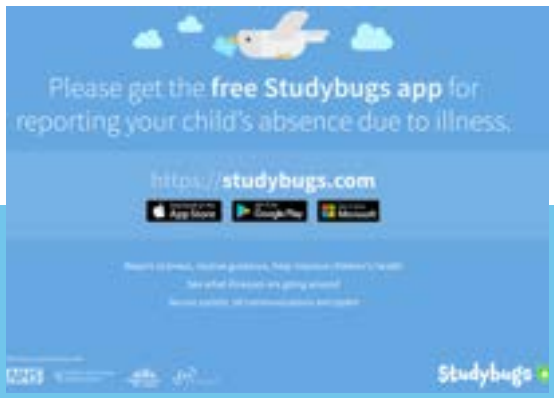

Office Reminders

- **Absence** - Please ensure you call the office before **9am** if your child will not be in school that day. Alternatively, you can report your child's absence on Studybugs. Logging your child's absence on Study Bugs will not autmatically mean it is authorised; our monitoring procedures include checking the validity of the reason given for absence. Should there be any query, school will contact you directly for more information before making a decision as to whether the absence will be authorised.

- Should your child's attendance have been a concern last year (check your child's End-Of-Year report if you are unsure) and your child has already had absence this term, the school will be contacting you as to how we can support you in ensuring your child attends school regularly. Any child who has attendance below 90% over the last 10 school weeks will not have any further absence authorised without medical evidence. If you have any questions, please arrange to speak with Mrs. Armstrong who will be happy to meet with you to discuss this further.

- **Punctuality** - Should a child's punctuality be identified as persistent (more than 10%) or a pattern (e.g. late on a particular day of the week), parents will be invited in to meet with leadership and/or the local authority attendance officer to discuss how the school can support the family to improve punctuality for the child.

Please sign up to our attendance app which is how we now ask parents to inform us of absence; thank you to those who have already signed up. There is also a link to the page along the top of our home page on our website.

STARS OF THE WEEK

Nursery	Louie for being such a kind friend by making them feel better when they are sad.
Reception	Juliette for her enthusiasm in phonics sessions Margot for being an excellent patient ,nurse and Dr in our World War 1 class hospital
Year 1	Winston- for a great start back. You have been very enthusiastic and focussed well. Mimi - for always working hard and trying your best with your challenges. You have also been coming into school much more independently.
Year 2	Atlas for showing that he is always ready to learn and helping other in the class Eron for having an outstanding first week back and always trying his best
Year 3	Isaac- For working hard and completing his independent work. Ihunda - For being extremely helpful in forest school and always being a kind and caring member of the class.
Year 4	Selim for always trying to improve and showing really focused learning this week; Layan for always helping those around her when they need it
Year 5	Harri and Win- for both making amazing progress with their writing! Well done both!
Year 6	Theodore - for always showing enthusiasm and curiosity towards his learning. Kristen - for always being a positive role model to others and enthusiasm towards all learning.

GENTLE REMINDERS

A reminder that the gate opens for children and families at 8:30am. This is for families and children to socialise and network as well as giving children plenty of time to be on site in time. The classroom doors and main KS2 door opens at 8:40am and children need to be on site by 8:45am.

Parents on site at the start of the day

Parents are expected to remain on site, with their children, until the classroom doors open. This is for health and safety and safeguarding reasons. If children come to school alone (Years 5 and 6), they are to remain in the Early Years playground to ensure they are in sight of the school staff.

Mobile phones and smart watches

Children who walk to and from school are allowed to bring a mobile phone to school so they are able to inform parents they have arrived safely. However, mobile phones should not be used on site and so children are to take phones and smart watches to the office so they can be kept secure until they can be collected at the end of the day. Having these devices on and accessible during the school day poses a safeguarding risk, which we take very seriously. Please support the school in reminding children to only use their phones once they are off-site. Thank you.

Appropriate clothing for school

We have had a few children coming to school recently in clothing that has not been appropriate for school e.g. costumes, restrictive clothing and loose footwear. We know that being a non-uniform school is a unique feature of Brooklands and we do not wish to prevent children from expressing their individuality. However, please ensure children are dressed in clothing that does not restrict movement and footwear that is secure. We have had a few accidents at playtime recently and this is something we are closely monitoring. We thank you for your support in this matter.

Parent Webinar

Mental Health Support Team

Common Behavioural Difficulties

The Greenwich Mental health Support Team (GMHST) likes to invite you to their online psychoeducation about webinar for parents/carers about "Common Behavioural Difficulties" in children.

The session aims to provide information about what "challenging behaviour" is, the factors that can lead to a child's behaviours and strategies that can be used to support positive behaviours.

In addition, the session hopes to provide a space for parents/carers to share their experiences with others and to promote a positive parent/carer and child relationship.

When?: On 16.11.2026 at 10:00 and 23.11.2026 at 18:00

Who for?: *Parents of primary school aged children who are experiences challenges with their childs behaviour and would like to learn more about the origin & function of behaviour, and how to manage it.*

Please know this is an invite-only event.
Scan the QR code or click on the link to get your ticket.

This week at Brooklands...

Nursery	It has been a very busy and exciting first week back in nursery after half term! Our new topic this term is Celebrations, and we have been exploring lots of different celebrations and traditions, including Remembrance Day, Diwali and Bonfire Night. The children have enjoyed using colourful rice to explore and create their own Rangoli patterns, making poppies with playdough to mark Remembrance Day and getting creative outdoors with glittery fireworks patterns. It has been lovely to see the children exploring different colours, textures and materials while learning about the different ways people celebrate and remember special occasions.
Reception	It has been an absolute joy welcoming everyone back and seeing just how much the children have grown and developed in such a short space of time.Our first week has been jam-packed with three fascinating celebrations: Diwali, Bonfire Night and Remembrance Day. These have provided wonderful opportunities to learn about history, different cultures, British traditions and values, and the things we hold dear within our communities.The children have thoroughly enjoyed getting creative through arts and crafts, singing, sharing stories and embracing the changes that come with our new season.What a lovely start to the term! I'm looking forward to another exciting term filled with learning, discovery and fun.Well done, Reception!
Year 1	Year 1 have settled quickly and enthusiastically back to learning with a boom, fizz and bang after a holiday full of fireworks and fun. We have enjoyed activities within the classroom linked to their experiences of Guy Fawkes night and Remembrance Day. We had a dance lesson where we moved like fireworks and made different shapes with sensory scarves.The children respectfully carried out the 2 minute silence on Wednesday in our whole school assembly. They have also been learning about the recent Hindu Diwali celebrations. In English, we are enjoying our class text called 'The Dolls House' by Tanya Rosie. This story is about an abandoned dolls house that finds a new owner.The children have been using the story language beautifully in their sentences to begin retelling the story using full sentences. We have been comparing sets of objects plus the height, length, mass and capacity of real things using lots of mathematical vocabulary such as more than, fewer than, longer than, shorter than, heavier than, lighter than. The focus of our Geography for this half term will be on identifying and recognising the capital cities in the United Kingdom and their landmarks. The children have been pretending to explore London in our new role play bus. In our art lesson we have found out about cross hatching and we have used different marks to explore representing texture. The Year 1 team would like to say a huge thank you to George's Dad (George Senior) and Matthew for all their hard work in the holidays cleaning, tidying and organising our outdoor learning space.
Year 2	We have had an amazing week back, and the class has settled back into school routines brilliantly while trying really hard in every single lesson! In English, the children have started their new unit, focusing on using apostrophes for contractions, writing consistently in the past tense, and using commas in a list. They have shown great enthusiasm and are already working hard to apply these new skills to their own sentences. In maths, they have been learning how to complete calculations within 20. This has been going really well, and it has been wonderful to see how confidently they are able to explain their working out and share their strategies with the class. Across the wider curriculum, the children have been just as busy. In science, they have started their new topic on habitats, thinking carefully about what living things need to survive before designing and creating their very own habitats. In geography, they have been exploring our local area and talking about the different human and physical features we see around us. Meanwhile, in history, the class has started learning all about the Great Fire of London. This has sparked lots of fantastic questions and has linked wonderfully to our art lessons, where they have been creating some brilliant, colourful pieces inspired by the event. Finally, in music, the children really enjoyed starting to learn their new song for the term, and we have already been treated to some confident and enthusiastic performances! Overall, we have had such a lovely week back, and we are all very excited for all the new learning and adventures that await us this term.

This week at Brooklands...in photos!

Year 3	It has been a fantastic first week back for Year 3! In Maths, we have been looking at multiplying numbers by 10 and 100. This has been a topic the children have really excelled in and they have become really confident in their abilities which has been fantastic to see. In English, we have started looking at the parable of The Lost Sheep as part of our new focus on writing a story. We have completed a character description of the shepherd whilst thinking about using prepositions and subordinated conjunctions. The children have used some wonderfully descriptive language in their work and produced some really engaging pieces of writing. In Science, we looked into the important jobs that different parts of a flowering plant do to keep it alive. We really enjoyed finding out about how the stem, leaves, flower and roots all work together to help the plant. We have also enjoyed a great PE lesson in which we experimented with hoops. First the children successfully learnt to roll the hoop to a partner whilst controlling the direction and most were able to pass two hoops at the same time. We then tried different methods to be able to throw the hoop and have it return back to us. After lots of trying everyone was able to work together to find a method that worked. We also had some great PSHE, Music and forest school sessions this week, which the children thoroughly enjoyed. It has been a great first week back after half term and I am delighted to see how quickly the children have all settled back into our class routines!
Year 4	What a fantastic first week back after half term! It has been wonderful to see the children settle straight back into their routines with such enthusiasm. In English, we have begun planning and practising our non-chronological reports on the Anglo-Saxons, focusing on using fronted adverbials, precise nouns, and pronouns. It has been brilliant to see the class drawing on everything they learned in History last term to bring their writing to life. Alongside this, in Maths, we have been building on our times tables skills and applying them to solve real-world problems. We have also launched our new Science topic on sound, exploring how sounds are created by vibrations, including feeling our own vocal cords vibrate when we speak! We started investigating how larger vibrations produce louder sounds. Finally, in History, we are continuing our Anglo-Saxons topic by shifting our focus to the pioneering women of the era and exploring famous Anglo-Saxon literature.
Year 5	It has been another busy and productive week in Year 5! In Maths, we have finished our unit on negative numbers. The children have been applying their knowledge in a range of contexts, including coordinates, temperature and elevation, developing their confidence when working with positive and negative numbers. In English, we have been writing descriptive pieces about Mayan hot chocolate, using exciting vocabulary and a range of descriptive techniques. This has been great preparation for next week, when we will be writing our own instructions explaining how to make this ancient Mayan drink! In Reading, we have started exploring The Storm Keeper's Island, while our end-of-day reading has introduced us to Once by Morris Gleitzman. In Science, History, RE and Geography, we have completed prior knowledge checks to help us identify what the children already know and prepare us for our new learning this term. In Science, we also carried out an experiment as part of our Forces unit. The children investigated how objects fall and discovered that balls of different weights fall at the same rate, which came as a surprise to many! A quick reminder that our Science Museum trip is taking place on **Tuesday 1st December**. If you haven't already done so, please could you complete the Google Form sent out previously. Well done to everyone for another fantastic week. Have a great weekend!

This week at Brooklands...in photos!

Year 6	Year 6 have had a brilliant first week back and have returned with such enthusiasm, positivity and a fantastic attitude towards their learning. We have started our new topic on Queen Victoria and the Victorian era. The children have thoroughly enjoyed discovering key facts about Queen Victoria's life and learning more about this period in history. They have used their research to create detailed and informative fact files, showcasing their understanding of some important Year 6 grammar skills, including relative clauses, adverbials and the passive voice. In reading, we have begun exploring Boy in the Tower. The children have been developing their inference and comparison skills, considering how the city has changed before and after the arrival of the Bluchers. They have also enjoyed using clues from the text to make thoughtful inferences about the Bluchers, discussing what the author might be suggesting and supporting their ideas with evidence. In science, we have started our new topic on Evolution. The children have been exploring how horses have evolved over millions of years, investigating how their appearance and characteristics have changed over time. We have also looked at fossils and considered what they can tell us about animals that lived in the past. Alongside all of our learning, we have also been busy preparing for our big outcome next week! The children have been working hard and are really looking forward to sharing their learning from the Autumn term with their families.

Celebrating Divali in EYFS!

This week at Brooklands...in photos!

Road safety in EYFS!

Art in the outdoors

Year 3 doing whittling in Forest School in a very ready, respectful, safe and engaged manner! Claire and Katie were very proud of them.

Parent Volunteers on Educational Visits and Off-Site Experiences

We are incredibly fortunate to have parents who volunteer their time to accompany children on educational visits and other off-site experiences. These opportunities enrich our children's learning, and we are very grateful for your support. Without our parent volunteers, we would not be able to offer some of these valuable experiences.

Safeguarding requirements for volunteers

If you would like to volunteer for trips regularly, please contact the school office to request a volunteer application. In line with safeguarding requirements, parents who volunteer more than three times within a 30-day period will need to have an enhanced DBS check in place.

Moving forward, all parents volunteering on educational visits will be required to complete a form confirming their understanding of, and agreement to, our safeguarding expectations. This form will be shared with you when you let the office know you are interested in accompanying a class on a trip. This is an essential part of ensuring that all children and adults are kept safe.

The form will include non-negotiable expectations, including:

Mobile phones: Mobile phones must not be used whilst supervising or accompanying children on a trip.
Food sharing: Volunteers must not share food with any child, in line with our allergy guidance and procedures for keeping children safe.

All volunteers must agree to these expectations before accompanying children on an educational visit. Parents who do not complete the form or agree to these requirements will not be able to volunteer on school trips.

We appreciate the time, enthusiasm and support our parent volunteers bring to school life. These requirements are not intended to discourage volunteering, but to ensure that every visit is organised safely and in accordance with our safeguarding responsibilities.

Thank you for your continued support and for helping us provide exciting and enriching experiences for our children.

(Brooklands School PTA)

2026/2027 CALENDAR

Look what we've got planned!

WED 23RD SEPTEMBER

BLOOM & BREW

Especially for our Early Years families! Come for a relaxed cuppa, meet other parents and carers and say hello to Friends of Brooklands. **8:45am in the BUFA. We'd love to see you!**

FRI 2ND OCTOBER

BOOK & BAKE SALE

Books AND cake, what's not to love? Pick up a new read and a tasty treat while helping raise money for the school. **3:25pm, KS1 playground.**

FRI 16TH OCTOBER

TICKETED EVENT

AUTUMN DISCO

Get those dancing shoes ready! Our Autumn Disco is back for an evening of music, dancing and plenty of fun. Timings and ticket details will follow nearer the time.

FRI 27TH NOVEMBER

WREATH MAKING

TICKETED EVENT

One for the grown-ups! Get creative and make something beautiful for your front door, while enjoying a relaxed evening with other Brooklands parents and carers.

FRI 4TH DECEMBER

WINTER FAIR

TICKETED EVENT

Save the date! One of our biggest events of the year, with stalls, games, treats and plenty of fun for the whole family. More details coming soon!

FRI 5TH FEBRUARY

FAMILY BINGO

TICKETED EVENT

Eyes down! Grab the family and join us for an evening of bingo, prizes and friendly competition. **Fun for children and grown-ups alike.** More details coming soon!

FRI 5TH MARCH

BAKE SALE

Friday + cake = a pretty good combination. **Stop by for an end-of-week treat**, help raise money for Brooklands and perhaps take something delicious home for later too!

WED 24TH MARCH

AGM

Come along to our Annual General Meeting (AGM) to hear what Friends of Brooklands has been up to, our plans for the future & how you can get involved. **Everyone's welcome, we'd love you there.**

FRI 30TH APRIL

TICKETED EVENT

SPRING DISCO

Dancing shoes at the ready! Join us for an evening of music, dancing and plenty of fun at our Spring Disco. Timings and ticket details will follow nearer the time.

SAT 26TH JUNE

SUMMER FAIR

TICKETED EVENT

Save the date! One of the biggest events in the Brooklands calendar, with a brilliant day of games, stalls, food and family fun. Lots more details to come!

If you want to send us your views, questions or would like to join the committee, please drop us an email friendsofbrooklands@gmail.com or ask your class rep.
